

Language and Culture Club members will enjoy exchanging views with like minded people on a variety of art and cultural topics linked to the study or knowledge of French and Spanish.

## The Fernhurst Centre

The Fernhurst Centre provides tuition in a range of subjects including Spanish and French language and conversation. The classes are taught by native speakers in small groups with students of similar standard.

We have a well equipped and versatile meeting space for discussion groups, social events, talks and workshops. Our ceiling mounted projector and large screen are ideal for showing films.
